

## SPARE PARTS

### SPARE AND WEAR PARTS

#### AVOID UNEXPECTED DOWNTIMES

- Wear and spare parts with a longer delivery time
- Planned replacement of wearing parts
- Reduced times of maintenance and repair
- Reliable function and efficiency

#### DETERMINE YOUR DEMAND

- Have your maintenance experts determine the necessary spare and wear parts for your filter system
- Take full advantage of our long-standing experience and the knowledge of your filter unit's history

### SERVICE OPTIONS

Wear and spare parts can be replaced by your maintenance department or can be installed by our specialists, even at short notice.
